Friendly Lodge of the Foothills

June 2024

Brethren,

We recently conferred on a 1st Degree for Mr. Kyle Crane. I opted to bring out past officers to participate on his First Journey into Masonry.

On a scale of 1 to 10 it was an 8.5.

Congratulations to him for picking our Lodge to join. We had visitors from San Dimas Lodge, and they enjoyed sitting on the sidelines watching us work the floor.

Next practice (TBD) will be will be the 3rd degree.

Thanks to everybody that showed up.

Special Thanks to Will Vanettes for sitting as Jr. Deacon. (The candidate's neighbor & top line sponsor)

See you guys at the next practice,

Master Rick Haren

Happy Fathers Day

From the South....

Greetings Brethren!!! We welcome Br. Kyle Crane to both our Fraternity and Lodge! Br. Crane became a member this past Thursday, May 30th. Congratulations to the Officers and Sideliners, both in their fine Degree work and taking the time to attend! Also, behind us, is the Abelskiver Breakfast, which was reported to be a great success! Yours truly was not able to attend, as a reunion of my active-duty ship, I served aboard...some 52 years ago had already been booked and paid some time ago. For those of you who are not familiar with those little 'pancake balls', they used to be somewhat of a tradition many years ago in Glendora Lodge. Wor. Jack Margison, PM was the person who spearheaded this (usually) annual event at his home. Abelskivers are made with a batter, similar to pancake mix...a bit sweeter, perhaps. They are made in a cast iron skillet with 7 dimples for the batter...filled just over halfway. When the bottom and sides of the batter starts to firm up, they are 'rotated' in the dimple...with the batter formerly on top, now on the bottom...and that firmer 'bottom' now on top. Periodically rotated to ensure the ball is cooked all the way around. Seven Abelskivers out, seven more dimples to fill and cook. Each batch of 7 takes approximately 7 minutes to cook. From the Abelskiver mix Wor. Steve Pashby provided; I was able to make 120 which were delivered to the Lodge in advance of breakfast. More Abelskivers were actually made...but had imperfections in one form or another. So, with the 'mess ups', some 150+ balls were made. Took about 4 hours all said and done. As I was cooking them, I was reminded of the 'Perfect' and 'Rough' Ashlars in our Lodge Room...one to the north side of the first step to the dais; one to the south of the dais on the first step. While they were (and we are) all Abelskivers (or men) seeking to become that perfect (or presentable / servable little ball) Man...we all have imperfections, despite outward appearances of being 'perfect' or flawless
See you next month! Miles 626 483-1342 mileshb3@gmail.com
