## Friendly Lodge of the Foothills

Brethren :

The Lodge had its First visit by Two Divisions of Lodges, # 6 & #7.

I counted 36 Master Masons there.

The Lodge was the Host for this event.

We started out with Bacon, eggs, sausage, coffee, orange juice.

Our Inspector showed up with The Donut Man for dessert. About 5 guys showed up at 7 am, one of them on a Bicycle from Fullerton. Nobody was Hungry when the meeting started at 8:30.

Our lodge had the Master, Secretary, and Sr Deacon in attendance.

We needed more officers for next year, particularly a Master.

The Lodge building presented itself well.

See everyone at practice on Thursdays.

The Master

### From the South...

On Tuesday afternoon, June 11th...I was driving in Covina (hello Worshipful Rick...). I stopped at a red light at Citrus and San Bernardino and noticed a car with the Square and Compass emblem on its left rear, near the license plate (7XXX386...and, yes I have it). Ah! A Brother! After the light changed, I noted our Brother was the first to gun his way into the intersection when the traffic light changed. Later, traveling eastbound, after crossing Grand and traveling residential streets, I noted he rolled thru a couple of stop signs, and at one...did not stop at all. So, what's my point? And, why do I care about how another person drives??? Who am I...the traffic police??? No, I'm not! None of these! This is the 'why' of my observation of our Brother's driving... With the Square and Compass clearly visible on his bumper, he has made known his affiliation with our esteemed Fraternity. As a Mason, he represents us...both in public and private. Further, what do the other drivers on public streets think of someone who flagrantly ignored our basic traffic laws? Would they subscribe to conspiracy theories (yes, they're still out there....) that we somehow are exempt from, or have an 'in' with the powers that be to make tickets and fines go away (because, after all, we control everything...right???) Or are otherwise immune from society's laws, or our public actions...both in expressed words, actions, and behavior??? By extension, one of our former Grand Masters, MW Russ Charvonia has written a book on Civility, by which I think our behavior in public can be gauged. Like the rough and perfect ashlar mentioned last month...none of us are ever 'perfect'. No matter how hard we may strive to be. However, as demonstrated by our Brother in his car...our actions and how we behave are visible to the public. And, how we present ourselves in public is important. Until next month.
